

DEPARTMENT OF HEALTH**NOTICE OF EMERGENCY AND PROPOSED RULEMAKING**

The Director of the Department of Health, pursuant to the authority set forth in An Act to enable the District of Columbia to receive Federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat.744; D.C. Official Code § 1-307.02), Reorganization Plan No. 4 of 1996, and Mayor's Order 97-42, dated February 18, 1997, hereby gives notice of the adoption, on an emergency basis, of a new section 1915 of Chapter 19 of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR), entitled "Host Home Services." These rules establish standards governing reimbursement by the District of Columbia Medicaid program for host home services provided by community homeowners and qualified professionals to participants with mental retardation and developmental disabilities in the Home and Community-based Services Waiver for Persons with Mental Retardation and Developmental Disabilities (Waiver), which was approved the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services, with an effective date of November 20, 2007.

A notice of emergency and proposed rulemaking was published on December 14, 2007 (54 DCR 12088). No comments were received. This rulemaking amends the December 14th rules by changing the rates, the methodology, and the scope of services available to support homeowners in the community who support persons in the Waiver to live in their home. The homeowner will utilize a portion of the participant's benefits and income for room and board as determined by the Department on Disability Services (DDS). Direct support services and supervision are funded through the Waiver under foster care payment rules. Host Home Services are to be operated by Residential Habilitation Services and Supported Living Services providers who will recruit, train, supervise, and support the homeowner. The service will have a daily rate that includes the direct service and a portion of the rate to be applied to the contract provider to coordinate services and provide respite and other supports as necessary.

Emergency action is necessary for the immediate preservation of the health, safety, and welfare of Waiver participants who are in need of host home services. These emergency rules are needed so that, on the expiration date of the previous notice of emergency and proposed rulemaking for host home services on March 18, 2008, there will be rules in place consistent with the provisions of the Waiver as modified to permit homeowners in the community to support persons in the Waiver to live in their home.

The emergency rulemaking was adopted on March 20, 2008, and became effective on that date. The emergency rules will remain in effect for 120 days or until July 17, 2008, unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*, whichever comes first.

The Director also gives notice of the intent to take final rulemaking action to adopt these proposed rules not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

DISTRICT OF COLUMBIA DEPARTMENT OF TRANSPORTATION

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Director of the District Department of Transportation, pursuant to the authority of Sections 2 and 3 of the Performance Parking Pilot Zone Emergency Act of 2008, effective March 19, 2008 (D.C. Act 17-320), or any substantially identical successor legislation; Mayor's Order 2008-56 (March 28, 2008); Sections 3(b) and 5(3)(D) of Department of Transportation Establishment Act of 2002, effective May 21, 2002 (D.C. Law 14-137; D.C. Official Code §§ 50-921.02(b) and 50-921.04(3)(D)); Mayor's Order 2007-179 (August 3, 2007); and the Motor Vehicle Parking Regulation Amendment Act of 1999, effective May 9, 2000 (D.C. Law 13-97; 18 D.C.M.R. § 2412.4), hereby gives notice of the adoption on an emergency basis of amendments to Chapters 24, 26, and 99 of Title 18, which is entitled "Vehicle and Traffic Regulations." The proposed amendments establish a Ballpark Performance Parking Pilot Zone program to manage the impending demand for curbside parking created by the new Nationals Park baseball stadium.

This emergency action is necessary because the Washington Nationals baseball team will play their first game in the new Nationals Park on March 29, 2008, bringing thousands of cars to the ballpark and surrounding neighborhoods for this and 81 additional regular season home games. Immediate parking solutions must be implemented around the Park to alleviate congestion, improve the efficiency of curbside parking and protect the public safety from the significant increase in traffic.

This emergency rulemaking was adopted on March 28, 2008, and became effective immediately on that date.

The Director also gives notice of intent to take final rulemaking action to adopt this rulemaking in not less than thirty (30) days from the date of publication of this notice in the *D.C. Register*.

The emergency rulemaking will expire on July 26, 2008, or upon publication of a Notice of Final Rulemaking in the *D.C. Register*, whichever occurs first.
